

MLS WEEKLY NEWS & INFO

June 12, 2020

IMPORTANT: NEW MLS Dashboard URL Link

The SAR MLS dashboard link: <https://portal.spokane.safemls.net> will be changing to <https://spokane.clareity.net>

The <https://portal.spokane.safemls.com> domain will be going away. Please update your bookmarks to <https://spokane.clareity.net>

NEW: TRANSACTIONDESK LISTING UPLOAD TOOL

We are excited to launch the Listing Upload Tool in TransactionDesk. With one click, you can now create an MLS listing from the property data form in TransactionDesk.

[Click here](#) to download the Listing Upload Tool guide.

CRAIGSLIST SCAMS

The SAR is hearing reports about properties advertised for sale on Craigslist being duplicated on Craigslist in Rentals with alternate contact information. This is a problem throughout the country. [Learn how to protect your listings from these scams by viewing this video from NAR.](#)
